Dear Ms. Hannah:

Thank you for your letter of September 15, 2011, regarding Saskatchewan Assured Income for Disability (SAID). I am pleased to respond on behalf of our Party.

I should note that the Saskatchewan Party will release its election platform to the public during the Fall provincial election campaign.

If elected, we will continue to collaborate with the disability community on the design and implementation of the SAID program. The existing collaborative process for the design and implementation of SAID will continue on. Minister Harpauer's estimate that 8,000 to 10,000 people would be on SAID in the long run remains accurate.

Thank you for writing.

Sincerely,
